## ABOUT ME

Cross-border e-commerce content intern (UCL Media; HKU Master's expected Nov 2026) specializing in TikTok/TikTok Shop. At Shenzhen Jingqi, **turned a 1K–2K account baseline into 10K–20K views per branded video**, including an **80K-view organic hit**. At NetEase Youdao, contributed to **3M+ Douyin and 1M+ RED views**. **Native Cantonese and Mandarin speaker with professional English (IELTS 7.0);** Seeking [Target Role] in Hong Kong.

## WORK EXPERIENCE

**SHENZHEN JINGQI YUEDONG TECHNOLOGY CO., LTD.** Shenzhen

— Cross-border E-commerce / Fitness Equipment

***Creative Content Producer (Brand Globalization), intern*** *September 2024 - March 2025*

- Owned **end-to-end TikTok strategy and content execution** for the **Lichico fitness equipment line** within a 6-person content team, covering concept development, scripting, locations/props, shooting, editing, captions and publishing.
- Optimized content performance through weekly review of hooks, audience retention, keywords and content angles; produced **21+ branded/performance videos** averaging **10K–20K views vs. a 1K–2K account average**, including an **80K-view organic video**, and ran lightweight A/B tests.
- Supported the **2024 Black Friday TikTok Shop e-commerce campaign** by repurposing video assets and adapting promotional creatives; the team ranked **US Sports Category Top 3** and **All-Category GMV Top 13**.
- Supported the **0-to-1 US-market launch of OGR (a footwear sub-brand of Belle Group)** by defining localized positioning, shaping official social media strategy and creating **standardized influencer creative guidelines**.

**NETEASE (□□) YOUDAO INFORMATION TECHNOLOGY (BEIJING) CO., LTD** Beijing

***English Short Video Content Production & Operation, Intern*** *July 2023 - September 2023*

NETEASE YOUDAO INFORMATION TECHNOLOGY (BEIJING) CO., LTD. | Beijing

English Short-form Video Content & Operations Intern | Jul 2023 – Sep 2023

- Produced and published **57 short-form videos** across four content themes, contributing to **3M+ Douyin views, 1M+ Xiaohongshu/RED views**, **1K+ follower growth** and one **200K+ video**.
- Developed scripts and conversational content for Hi Echo, an AI-powered English tutor, collaborating with engineering teams to refine dialogue scenarios and learning materials.
- Analyzed engagement across Douyin, Xiaohongshu/RED and WeChat Channels to identify audience segments and translate platform insights into content and acquisition recommendations.
