WORK EXPERIENCE

NETEASE YOUDAO INFORMATION TECHNOLOGY (BEIJING) CO., LTD Beijing
English Short Video Content Production & Operation, Intern July 2023 - September 2023

- Produced and published 57 English-learning short videos across 4 content themes, contributing to **3M+ Douyin views, 1M+ Xiaohongshu/RED views, 1K+ follower growth**, and one video exceeding **200K views**.
- Wrote content scripts for “Hi Echo,” an AI-powered English-speaking tutor, and collaborated with engineering teams to refine dialogue scenarios and learning materials.
- Analyzed user engagement across Douyin, Xiaohongshu/RED, and WeChat Channels, using Excel to track likes, comments, shares, and saves; identified target user segments and translated findings into content and acquisition strategies.

SHENZHEN JINGQI YUEDONG TECHNOLOGY CO., LTD. Shenzhen
Creative Content Producer (Brand Globalization) September 2024 - March 2025

- Developed end-to-end TikTok content strategies for Lichico's fitness equipment and wellness products through market research, competitor analysis, product positioning, scriptwriting, creative production, and post-production.
- Produced 21 short-form videos with **200K+ organic views**, optimizing creative direction through platform performance data and audience insights to achieve ad conversion rates **30% above the industry benchmark**.
- Contributed to the team's Black Friday 2024 campaign, supporting TikTok Shop All-Category GMV **Top 13** and US Sports Category **Top 3** performance.
- Supported the 0-to-1 launch of OGR by refining product positioning, developing influencer creative guidelines, and planning official account content strategy.
